

Thirty-seventh Annual Convention

OF THE

Department of Indiana

Woman's Relief Corps

Auxiliary to the Grand Army of the Republic

DEPARTMENT PRESIDENT'S REPORT

To the Officers and Members of the Thirty-seventh Annual Convention of the Department of Indiana, Woman's Relief Corps.

This convention marks another mile-stone in the onward march of our noble organization, which is Auxilliary to the Grand Army of the Republic.

A year ago when you placed the gavel in my hand and intrusted the welfare and guidance of our order to my keeping, it was with a feeling of pride and appreciation, I accepted this honor, pledging to give of my time, strength and thought to the furtherance of the interest of our organization.

I can truthfully say I have kept this promise to the best of my ability and endeavored to advance the interest of our order in the spirit of Fraternity, Charity and Loyalty.

GRAND ARMY OF THE REPUBLIC

Immediately after the Department Convention, I wrote the newly elected Department Commander W. F. Medsker, extending congratulations and pledging allegiance and loyalty to the organization of which we are auxiliary. I am deeply indepted to Commander Medsker and Assistant Adjutant-General Ball for the many courtesies shown us.

ARMY NURSES

Next to the Grand Army of the Republic, in our affections, are the "Angels of Mercy." Each was remembered with a check for \$2.50 and a letter of greeting at Christmas time, which were gratefully acknowledged by the nine Army Nurses.

ALLIED ORGANIZATIONS

To the Allied Organizations, our Department extends Greetings and best wishes. Most cordial relations have existed between the

different organizations and our order. We certainly appreciate the splendid work of the Sons of Veterans and their Auxiliary at our Department Conventions, for which we extend sincerest thanks. Nor would I forget to thank the United Spanish War Veterans and their Auxiliary for the liberal contribution to our Christmas fund. Most pleasant and helpful were our relations with the purchasing committee at the glad Christmas time.

I am happy to state that our organization appreciates the true worth and sterling qualities of the American Legion, and stands ready at all times to render service when needed.

SOLDIERS' AND SAILORS' ORPHAN HOME—KNIGHTSTOWN

This home is one of the most beautiful and interesting Institutions in the state. It consists of 242 acres of valuable and fertile land in addition to 18 beautiful brick and 15 wooden buildings.

The sanitary, heating and lighting conditions in the home are well looked after by the management, and the health of the children has been excellent. My first official visit was made during the week of commencement. The annual commencement exercises and Home coming of ex-pupils and ex-employees was held Thursday, June 19, 1919. Too much praise cannot be given to the pupils and instructors for their excellent work.

My next visit was in response to an invitation by the Department Commander. As our order has no special visiting committee, I felt that it was the duty of the President for the good of the order to represent the Department on this occasion. Conducted by Superintendent Short, we visited several of the rooms, including the day school, domestic science rooms, the store room, bakery, laundry, carpenter and paint shops, printing office, children's kitchen and dining room. After dinner we were given a fine musical treat by the band, and a playette entitled "Betsy Ross Making The First Flag." was given in the chapel.

The population statistics given us Oct. 29, is as follows:

Children enrolled	378
Civil War children	52
Civil War grand children	154
Spanish American children	118
Philippine War children	21
Regular Army children	22
World War children.....	11

My third visit was made at the glad Christmas time.

The day before Christmas, assisted by the Dept. Secretary and two members of the United Spanish War Veterans Auxiliary, we prepared the gifts for the children, who received them Christmas morning.

It is a pleasure to recall the Christmas Carols which echoed through the corridors at 4:30 Christmas morning. The thanks and expressions of gratitude I received, from the children, when I visited the different divisions, will ever be a pleasant memory. The courtesies received from the Officers and Governesses all assist in making my visits long to be remembered.

To the Grand Army of Ind., The Corps of our Dept., The U. S. W. Veterans and their Auxiliary, The Chairman of the Christmas Committee, and all who assisted in any manner, I extend sincerest thanks,

The chairman of the Committee has prepared an interesting report of the purchasing.

SOLDIERS' STATE HOME—LAFAYETTE

The Indiana State Soldiers' Home was established through the untiring efforts of the Grand Army of the Republic, commencing at the Department Encampment held in Indianapolis 1886. The beautiful location was selected in 1892. The tract of woodland of 187 acres, is situated on the west bank of the Wabash river, four miles north of the city of Lafayette and three miles south-west of the famous Tippecanoe battle ground.

Seventy-five acres is platted in most beautiful arrangement, 185 feet above low water mark of the Wabash. One who has never visited this Home has no idea of the beauty and elegance of the city.

It was my great pleasure to make my first visit to this splendid Institution Nov. 12, 1919, and I was most courteously received by all whom it was my pleasure to meet. Mrs. Ingersol, the Matron, conducted me over the city and through all the State Buildings showing and explaining all points of interest. This Home not only provides for the Veteran, but for the wives and widows also. While my visits to the Home were very pleasant in many respects yet, when I visited the Hospital, I grew sick at heart and tears fell unbidden from my eyes. The Woman's Relief Corps may be proud of the assistance it has given, and the yearly donation of jellies and fruit juices it sends to the Hospital patients.

The Corps members of the home, honored the Dept. President with a reception in the parlor of the Widow's New Home, the evening of Nov. 12. Many pleasant acquaintances were formed and new friends made during this visit. Dec. 16, when a committee was called by Comrade Ketcham, to make a tour of inspection, as chairman of the committee, accompanied by three Past Department Presidents, it was my privilege to again meet friends in the Home.

DISTRICT CONVENTIONS

It was my privilege and great pleasure to attend ten of the thirteen district conventions.

Much interest was manifested by the number of delegates and comrades present. The reports, drills, luncheons, dinners, and receptions gave evidence of the fraternal spirit and good will existing among the members, also between Posts and Corps.

The Senior Vice President has prepared a condensed report of each convention.

NATIONAL CONVENTION

The National Convention was held in Columbus, Ohio, September 9, 10, 11, 1919, to which Indiana was well represented. The voting strength of our delegation was: Officers, five; Past Presidents, nine; Delegates, eight; Total twenty-two. I believe that the Resolutions adopted at this Convention has been largely responsible for the increased interest and enthusiasm in our work this year.

RECOMMENDATIONS

Recommendation No. 1

That any Department Officer may have her picture placed in the Journal, providing said Officer pays the expense of the printing of the picture.

Realizing that it is a saving of time and money for the return address to be placed on the envelopes of letters, and our official envelope bears the names of four officers, I offer
Recommendation No. 2

That the name of the Press Correspondent be omitted from the envelope of Department stationery, thereby giving space for the name of the officer using the envelope.

At a regular meeting of Geo. H. Thomas W. R. C. No. 20, it was unanimously voted to petition the Department Convention to transfer said Corps from District No. 7 to a more convenient district, either No. 2 or No. 9. The distance necessary to travel to reach the district meetings, as now arranged, makes attendance impossible to the great majority of the members, and deprives their Corps of the benefit that it would have if the members were able to attend and take part in such conventions, I offer

Recommendation No. 3

That the request be granted and No. 20 W. R. C. be transferred to District No. 9 because I believe No. 9 needs their assistance.

FINANCES

The same "high cost of living" that effects every avenue of trade, has, by no means, made our Department an exception. There has never been a time when prices on goods and work were so uncertain. Every few weeks we were reminded that prices on supplies had advanced. On account of the unrest among laborers and the scarcity of paper, our bills for printing have been greatly increased. Much time has been spent searching for the best goods for the least money. We have very cautiously guarded the finances, eliminating every unnecessary expense. The Department Treasurer's report will give full details of the financial condition of the Department. In view of existing conditions, I offer

Recommendation No. 4

That the per capita tax advanced Two Cents each quarter, making the per capita tax ten cents instead of eight cents per quarter.

PATRIOTIC INSTRUCTION

Our Department Patriotic Instructor has very ably managed this branch of our work and has submitted a very comprehensive report. I really believe that Corps Patriotic Instructors should exert just a little more energy in bringing this work before the public, and make their reports promptly on time.

To reduce the expense of the department we adopted a resolution in 1919 "That no picture be placed in the Journal, except that of the Department President, and a Memorial Picture, if there be one." I offer

IN MEMORIAM

The dreaded Angel of Death has visited many homes of our members, and the toll has been heavy in our Department. We have lost 207 faithful and loyal patriotic members, including one Past National President, two Past Department Presidents, one past Department Treasurer and one Army Nurse.

The Grand Army is rapidly passing away, silence reigns in an ever increasing number of Post Halls. The Department lost by death during the year 1919, 550 Comrades.

While their ranks are growing thinner,
Comrades falling one by one,
Let us closer stand together
Till their battles all are done.
Let us keep the fires fraternal
Brightly burning in each breast,
Till for them the taps are sounded
And they take their final rest."

Sympathy is extended all relatives and friends.

STANDING OF THE DEPARTMENT

At the beginning of my year there were 120 Corps with a membership of 6798. Today I bring to you 116 Corps with a membership of 7099, making a net gain of 301.

There was great rejoicing in headquarters when our Instituting and Installing Officer announced the organization of two new Corps. One of my greatest pleasures of the year was my visit to Whiting when Col. Theodore Roosevelt Corps, No. 263 was organized Jan. 20, 1920. Harry C. Long Corps, No. 264, organized at Indiana Harbor, May 6, 1920.

The spirit of enthusiasm manifest during the year gives evidence of greater increase in Corps and membership. Be that it as it may, I hold that the work of the Secretary and Treasurer is no less arduous and responsible than in former years, and I believe that our Department should show the same appreciation and maintain the same standard as formerly. Therefore I offer
Recommendation No. 5

That the Department Secretary and Treasurer receive the original salary of \$200 each, beginning with this administration.

ACKNOWLEDGEMENTS

It is difficult for me to express the appreciation I feel to the Officers and Committees who have rendered such loyal service to the cause and loving sympathy and assistance to me during my administration.

In a few short hours the gavel will be placed in the hands of my

successor and the pleasures and responsibilities will be given to another. I wish for her the same loyalty, thoughtfulness and co-operation that you have given me.

It is useless for me to name the officer, for each in her work has been faithful and true; and I trust that the ties of friendship formed this year may be lasting.

I feel, however, that I would be ungrateful if I failed to thank personally, my Secretary, Treasurer and Counselor who have been ever ready and willing to lighten my labor or give me a word of encouragement.

To the Past Presidents, I appreciate your words of encouragement. To the friends who entertained me in their homes so hospitably, I thank you.

To my own Corps and Post, I am at a loss to find words to express my thanks for the many courtesies they have shown me. I sincerely thank them for the reception given me and for the honor of presenting, on behalf of our Corps a beautiful Flag to Legion Post No. 39, at a public meeting where the Grand Army of the Republic, Sons of Veterans, Spanish War Veterans, and American Legion were honored guests.

Nor should I neglect to thank Mr. Oliver, printer, for the beautiful Department invitations presented to us.

A word of thanks should be expressed to the efficient Auditors for their very reasonable charges.

Many invitations have been extended to me, but for various reasons I was not permitted to accept all of them. But to every one who has shown me any favor, whatsoever, I extend thanks.

IN CONCLUSION

This has been a very busy and happy year, but if I have in any degree met with the approval of the Department or been of any benefit to the order I shall consider my labor and time well spent.

Submitted in Friendship, Charity and Loyalty,

EVA ROBERTS COURTNEY,

Department President.

In closing my year's work as Department Treasurer, I wish to express my deep appreciation for the many favors shown me.

To the Corps Treasurers, whose acquaintance I have made through correspondence, I will say that I am sure if you treat the new Treasurer with the same consideration you have treated me, you will be forever remembered with kindness.

My relations with the National Treasurer have been most pleasant, and I want to thank her for her kindness, timely advice, courtesy, also her promptness in filling my orders.

In conclusion I want to say it is certainly a noble order, that can bear for its motto, "Fraternity, Charity and Loyalty."

Report of Junior Vice President

Valparaiso, Indiana, April 7, 1920.

Mrs. Edna E. Pauley, Dept. Secretary W. R. C., Indianapolis, Ind.:

In accordance with the obligation assumed in accepting the office of Junior Vice President, I respectfully submit the following statement as my report to the Department convention.

The duties of my office have been honorary rather than active. No demands upon time, nor requests for service, have been made throughout the year, owing to the efficiency of Eva R. Courtney, our highly esteemed President, and the competency of Bessie Burns, our worthy Senior Vice President.

Relieved of responsibilities, which I stood ready to assume, it has been my pleasure to co-operate in spirit with those who have carried the burdens, and to rejoice in the accomplishment of all that tends to strengthen our noble organization.

With warm appreciation for the confidence implied in the bestowal

of the office and assurance of my unswerving fidelity to the interests of our order, I am

Report of Patriotic Instructor

Anderson, Ind., April 28, 1920.

Edna E. Pauley, Department Secretary W. R. C.,

In compliance with the rules of our order the following report is submitted.

This office came to me when our country was in its greatest war. We found ourselves short in literature and material to work with. But with all of this I have found great pleasure in helping to distribute patriotism. "One Country, One Language, One Flag," has always been foremost in my mind. To accomplish good work in the department, much good depends upon aid from local Patriotic Instructors as well as each member of the Woman's Relief Corps. It seems to me that the only way by which Patriotic Instruction can be advanced, as it should, and made valuable to the Department, is that each Corps should fill out all reports required by the head of the Department, faithfully, sincerely and as nearly correct as possible. I do not see how the Patriotic Instructor can give the required help unless she knows where it is needed. I am thoroughly satisfied that more patriotic work is done than our Corps tell us about. Blanks were sent to all Corps but many came back uncalled for, some were not answered at all, and only 25 Corps reported. If ever there was a time we should teach Patriotism it is now. Our whole country is in a dreadfully unsettled condition. So much is left for the woman to do, she should study the laws of our country and be able to teach the foreign people what a good free country America is. We can make good citizens out of them if we stand united for our constitution. From reports, I find various kinds of good work in different ways being done among the Corps. Contributions have been subscribed for Foreign Relief, Flags have been purchased for American Legion Posts and patriotic talks have been given before clubs and Parent-Teacher meetings, mottoes have been written and distributed for the good of our country; Armenian orphans have been taken by Corps which is a wonderfully good work. Banquets have been held for World War boys as well as for the G. A. R. A number of Corps are giving regular entertainments for the veterans of '61 many of which are past working and the time drags heavily with them. I would suggest, here, that every Woman's Relief Corps would take this up and entertain the grand old G. A. R. often. Most all of the Corps celebrated the anniversaries which we are asked to do, and hope more interest will be taken in Flag Day next June 14th. Keep your eye on our beautiful Flag, do not let it be dishonored. If you find one worn and faded roll it up carefully and tenderly and burn it. Do not let it be cast into the rubbish.

Reports submitted to me are as follows:

Major May Post No. 70 of Anderson, Indiana, has been very active. Personally I have made patriotic addresses before Federation of Clubs,

Parent-Teacher's meetings, visited schools and institutes finding most schools with the Flag. I distributed and mailed 400 circular letters No. 1. The Corps presented the George Hockett Post No. 127 of the American Legion with a beautiful silk Flag. Tipton, Indiana, distributed a splendid motto for the good of our country, "I will obey and uphold the laws of my country. Honor its institutions and principles for which it stands."

I regret, very much, that for legitimate reasons, some of our Corps could not be inspected, although reports were received from part of the number.

As Department Inspector, I wish to say, I found it was not satisfactory to have inspection the same day of District Convention, as the time is so taken with convention work that the Ritualistic work was not as well done as on the regular day.

My official relations with the District Inspectors was very pleasant, and I thank them for the faithful service they have given our work. My official relation with the Department President, will soon be over, but I trust that the friendship which existed between us may last to the end of time, and I extend my thanks to her for the honor bestowed.

Report of Christmas Committee

Montpelier, Indiana, May 3, 1920.

Edna E. Pauley, Dept. Secretary, Woman's Relief Corps,

Dear Madam:

I have the honor to submit through you to the convention the following report of the Christmas Committee for Indiana Soldiers' and Sailors' Orphans' Home.

Sometime in October I received from our Department President a list of childrens' names which had been prepared by the governesses of the Home. This list contained three hundred seventy-eight names and each child had been given the privilege of expressing, first, second and third choice of gifts desired. The list had to be classified and presents chosen to please each child best, and also harmonize with the Christmas fund.

As Chairman of the committee this was left for me to do, subject to changes by the Department President and the two other members of the committee. No easy task was before me and sincere thanks I render unto Mrs. Sawyer, Past Department President, and a friend in need, who so graciously came to my assistance.

A time was set, convenient to our Department President and to all parties concerned, to meet in Indianapolis for the purpose of purchasing these gifts. Executing my duty as Chairman, I notified Cora Hood of Bluffton and Emma Reed of Richmond, who were the remaining two members of the W. R. C. committee. At a late date they informed me that they could not possibly assist on account of illness in their families. This was a disappointment and worry but our Department President, Eva Courtney, always so sweet and obliging, assured me of her presence and help.

On the 8th day of December I met Mrs. Courtney by appointment in Muncie and we travelled on to Indianapolis and arrived there 11:30 a. m. The Spanish American War Veterans' Auxiliary had been asked to send a committee to meet and work with us. Mrs. Marie Williams and Mrs. Maud Shull, representing this organization, met us and we ventured forth to perform our task.

We stopped for three days at various wholesale and retail stores, and I dare say a more friendly, congenial bunch of women never worked together before. Perfect harmony was prevailing and I wish to speak for all parties concerned, that we enjoyed our labor of love and Christmas cheer, immensely.

Almost everything imaginable was included in our purchase. Useful as well as ornamental gifts and toys—from a French harp and "coon-jigger" to bibles, safety razors, suit-cases, kimonoes and more expensive things for the older children. As always before the little girls wished for sleeping dolls. These fascinating little creatures are very scarce and very high priced so we had to select the next best. I must say they were not so pretty as the sleeping beauties, but thanks to the ladies of U. S. W. V. Auxiliary, who dressed them, they were made very attractive and pleasing to the little tots.

As I have said before ours was a task of love which created sincere sisterly feelings and everlasting true friendship between us all who participated.

I regret very much that I could not be with these ladies on Christmas Morn' at the Home, to see the fruits of our labor reflected in the happy faces of the children. From all reports I have heard, they were

very happy, thanks to you, members of the W. R. C. as well as the members of the G. A. R. and the Spanish American War Veterans and Ladies' Auxiliary who so liberally donated to the Christmas fund.

I also take an opportunity here to again express my appreciation to our Past National President, Mrs. Ida McBride, who so charmingly entertained us at luncheon and also to Mrs. Edna E. Pauley, Past Department President, whose liberal hospitality we enjoyed the last night of our stay in Indianapolis.

To you, my dear Mrs. President, I owe so much for this pleasure. To be with you and work with you is to know you better and love you the more. I sincerely thank you for this great privilege.

Yours in F. C. & L.,

BERTHA MARION TWIBELL,

Chairman of Christmas Committee.

REPORT OF DEPARTMENT CHAPLAIN

Bluffton, Ind., April 14, 1920.

Edna E. Pauley, Department Sec'y. W. R. C.:

First may I thank the women of the Department of Indiana for the honor of serving as Chaplain in our beloved order, and for the many letters of love and cheer that "found their way to my hearthstone?"

Last year at convention our hearts as well as our hands were full. Each one striving to do her best to keep "the home fires burning" till the dear lads "over there" reached the shelter of our arms. Yet we learned, by the terrible baptism of blood through which we passed, that all boundary lines had been washed away, and we heard and answered not only the heart-cries of our own countrymen but of the World as well.

Other organizations may hew new paths for other heroes, but it was our privilege—way back yonder—to catch the vision, "of caring for the soldier and his dependent ones."

Standing as we do today in the light of the glory of past achievements, we must not grow faint-hearted, but buckle on the armor anew and go forth to work valiantly side by side with our comrades so long as a veteran be left.

Without meaning to add a note of discord, may I not again urge the sending of the Chaplains' reports to the Department Chaplain not later than June 20th. The reports from 16 Corps came too late to be contained in the work of this year.

I have the honor to present the following report for year ending June 30, 1920:

Report of Press Correspondent

Winchester, Ind., April 20, 1920.

To Edna E. Pauley, Department Secretary:

I hereby submit my annual report as Department Press Correspondent. This has been a very pleasant year for me in the Woman's Relief Corps, and I wish to thank our Department President for the honor she has conferred upon one, who though rather young in the work is willing to labor and to learn; for I greatly appreciated the advantage of having her so near me during the year, and for her kindly advice in matters pertaining to my work. And I want to thank everyone of the Corps Press Correspondents for the many clippings and encouraging letters, all of which spoke of the perfect harmony existing between Post and Corps.

Let us strive to maintain that harmony to keep ever before us the flag we love; and to always remember our duty to its loyal defenders for their numbers are growing smaller each year, and soon the Grand Army of the Republic will be but a sacred memory to this large auxiliary that has the opportunity to become larger as the years go by; and I trust we shall always be ready to render aid and cooperation to the boys of the American Legion, who are now banded together as did the Boys of '61.

To my successor in office I trust that the year of 1920 and 1921 will be as enjoyable to you as it has been to me in gaining a broader view of the wonderful work the various Corps in the Department are doing and may the Corps Press Correspondent be as faithful and diligent in their work as the Press Correspondents of 1919 and 1920 have been to me.

Respectfully Submitted,
MARY E. DODDS,
Department Press Correspondent.

Election returns received are as follows: 108 Corps reported; 61

My year's work has been a very pleasant one and many loving messages were sent with the reports. When our Department President, Eva R. Courtney, honored my Corps (William Calkins No. 2488 with an appointment of an I. and I. officer, I accepted the office with the determination to work for our beloved order and to assist our worthy Department President.

I am proud to report the institution of a new Corps in Whiting, Indiana, Colonel Theodore Roosevelt No. 263 with a charter membership of 34, present membership 49 and a number to be initiated, also a Corps at Indiana Harbor, Harry C. Long No. 264, instituted May 6, 1920.

At this time I want to thank our Department President, Eva R. Courtney for the honor conferred upon my Corps as well as myself for the appointment as an I. and I. officer and her letters of cheer.

I especially extend my sincere thanks to our Department Secretary, Edna E. Pauley, for her kind assistance and her words of commendation were greatly appreciated.

Department Counselor's Report

Indianapolis, May 8, 1920.

Mrs. Edna E. Pauley, Department Secretary, Woman's Relief Corps:

Dear Madam:

In accordance with the laws of our Order I herewith tender my report as Department Counselor. I accepted the office hoping I might be of some service to the Department President in her work. If I have in any way been helpful, part of my duty has been fulfilled, and I am grateful to her for making me a member of her official family.

Whenever asked, my advice has been cheerfully given. There have been no complicated questions or matters requiring official action or decision, and I congratulate the President on the harmony that has prevailed and that her administration has been so successful.

Respectfully submitted,

IDA S. McBRIDE,

Department Counselor.

Report of Senior Aide

Muncie, Indiana, April 30, 1920.

Edna E. Pauley, Department Secretary:

In accordance with Rules and Regulations of our Order, I make the following report of work accomplished by the Aides the past year.

Was very much surprised when our dear Department President asked me to fill the office but hope that I have not been a disappointment to her and I have enjoyed the year of service to our beloved order and only wish we could have accomplished more.

Under instruction from the Department President I issued one circular letter.

Not receiving the blanks from headquarters until so very late the work to be done by the Aides was greatly handicapped.

Sent out 112 Aide Blanks.

Had returned to me 75.

Number of new members secured by Aides 274.

Number of members by reinstatement 35.

Number of members by transfer 1.

Making a total of 310 members secured by Aides.

Number of cases of desecration of the Flag corrected 23.

Members secured for Posts 2.

Visits made to Corps other than their own 130.

A large number of Aides attended the District meetings and I attended the National Convention held at Columbus, Ohio.

Much fruit, jelly and juices were sent to Lafayette for use in the hospital and Farragut Corps sent a box containing twenty dozen hard boiled eggs at Easter time.

Chaplain Brown Corps held services on Arbor Day and planted two trees on the lawn of the Library; are supporting a French Orphan and presented a silk flag to the mother of a soldier who lost his life in the World's War.

Several Corps report the adoption of Armenian children for a year.

Am sure every Aide extends sympathy to sisters Isabella Bennett and Leah Carmicheal both of whom are mourning the loss of their companions.

In closing I wish to thank all Aides who responded and worked so faithful; am sure this, our year of service has been well spent in a noble cause in helping our Department President make this her year a success.

Am sorry that every Aide could not respond for reasons known to herself the best, for:

"It is not the things we do,
It is the things we leave undone
That gives us a little heart ache
At the setting of the sun."

Again I thank our Department President for the privilege of serving the Department this year and hope the link that has been welded in the chain of our lives will not end with this year but become stronger as years go by.

Submitted in F. C. & L.

ELIZABETH PEARSEY,
Department Senior Aide.
